WHO ARE WE

Since 1997, Kindness, Inc. has provided essential services to our neighbors in Baxter and Marion Counties, Arkansas, who need a little help to remain independent while they age in their own homes.

We offer door to door service for not only medical appointments, but trips to the hair dresser and shopping for food, prescription pick up, clothing, the little things that help provide quality of life in the home.

Sometimes the volunteers will do the shopping for the client. They also will take clients to the nursing home to visit family. Some will spend time with a client so their main caregiver can have some time off. We make daily "reassurance calls", just to make sure they are OK, especially when the weather is an issue. In most cases the volunteer will take the same client each time they need a ride. And many of the volunteers have told us their clients are now like family.

HOW WE OPERATE

Kindness, Inc. is a 501(c)3 nonprofit. We receive no federal, state or county funding. We depend entirely on fundraising efforts, gifts from local individuals, businesses and civic groups, and grants for our operating expenses.

FUNDING NEEDS

We are seeking initial funding in the amount of \$500,000 or more. This funding will cover costs associated with day to day operations in serving our clients, and will allow us to perform at a higher service level in the following ways:

- ❖ Create an endowment with income producing revenue.
- ❖ Expand our services to neighboring counties which are in desperate need.
- ❖ Recruit/Select more volunteer drivers and reimburse them for mileage.
- ❖ Give back to the community (Grants, Scholarships, Workshops, Seminars and Training)

There is no other program like this in this area. Closing our doors would be devastating to the hundreds of people we help on a regular basis. With financial assistance from angels in our area, we can continue to serve our clients.

How CAN You HELP? We receive funds via one time or ongoing monthly donations, fundraisers, trusts, wills, and endowments.

If you, or someone you know, would like to create an ongoing legacy of love and care, please call us at 870-425-6475 or come by the office and let's discuss how you can help. *Donations may be tax deductible.*
